WRIT PETITION NO.10128 OF 2004

Prakash Vithal Mane)..Petitioner

Versus

Regional Manager (IV))
State Bank of India and another)..Respondents

Mr.G.S.Godbole for the Petitioner.

CORAM: SMT.NISHITA MHATRE, J.

DATED: 29TH MARCH 2005

P.C.:

. The Petitioner challenges the Award dated 10th November 2003 passed by the Judge, IInd Labour Court, Solapur in Reference (IDA) No.20 of 1998 on the ground that it has not considered certain evidence on record. The Labour Court, after coming to the conclusion that the enquiry held against the Petitioner was not fair and proper, has permitted the Respondent Bank to lead evidence afresh. On a consideration of the evidence led before it in detail, the Labour Court has concluded that the Petitioner is guilty of the misconducts alleged against him. There is no perversity in the findings recorded by the Labour Court. I see no reason to interfere. Petition rejected.
